### **EPMPO STAFF REVIEW MEETINGS**

Entities that are interested in applying for FY 2025 and FY 2026 FTA 5310 funds are reminded they must seek a review of their potential proposals by EPMPO staff, as per EPMPO call for projects protocol. **This review is mandatory** and will assist the applicants in ensuring their proposal answers at least one of the objectives/strategies listed in the EPMPO Congestion Management Process document. Answering one of these needs/strategies by the proposal is required for consideration by the EPMPO Transportation Policy Board. This review is also to ensure the proposal and budget will fill all the necessary requirements set forth by the FTA Section 5310 Request for Proposals and FTA Section 5310 Circular 9070.1G.

Applicants are asked to make an appointment with EPMPO staff on one of the following days and hours for an approximate 30-minute meeting:
